These rules apply to everyone involved within St Ives Town FC, from the players and managers, to the match officials and club staff.

New rules introduced from 1 August 2014

A worldwide ban on betting on football will come into force from 1 August 2014 from The FA for all those involved in the game at Premier League, Football League, National League and Women's Super League levels, as well as those at clubs in the Northern, Southern and Isthmian leagues and all other Participants who do not fall into the category below.

Participants covered by the ban will be prohibited from betting, either directly or indirectly, on any football match or competition that takes place anywhere in the world.

The changes to FA Rules from the start of the 2014/15 season will also effect a worldwide ban on betting on any other football-related matter.
